Frisky Dog Day Care – servicing Brookfield, La Grange and all surrounding areas. They had their Grand Opening and Ribbon Cutting on Saturday, October 22nd.

The long time dream of four friends Gail Stine, Ross Rolando, Carol Weber, and Joe Perry has become a reality with the opening of Frisky Dog. Their shared passion for animals turned into Frisky Dog daycare’s cage-free, canine oasis for your four-legged companions.

Featuring a variety of indoor and outdoor play areas totaling over 19,000 sq ft, dogs are grouped together by size and style-of-play so all “guests” are guaranteed to have a fun, relaxing, and safe time. In addition, play areas are covered in rubber flooring inside and a gentle turf outside so surfaces are safe on all paws big or small.

In addition to daycare, Frisky Dog also provides a wide variety of services and amenities including grooming, boarding and training.

Managed by Ross Rolando, Frisky Dog’s dedicated staff is passionate about all dogs and well educated on canine personalities and first-aid. Be assured that your dog will play, relax and enjoy the attention provided by all that work at Frisky Dog Daycare.

Frisky Dog invites all members of the press and Chamber of Commerce to visit our facility and discover this true doggie oasis.
